

Basket Lattice Quilt

Queen: 94x102 inches

Materials:

40 or more fabrics to make lattice squares and rectangles
(approximately 6 $\frac{3}{4}$ yards total), 3 Hoffman Bali Pops®
(there will be extras) . (96 strips).
3 $\frac{1}{2}$ yards of solid black (or other color) for background and binding
9 yards of backing fabric
Batting

Cutting:

Background fabric: Cut 4 binding strips as indicated on the pattern. From the remaining background fabric, cut 624 squares 2 $\frac{1}{2}$ " x 2 $\frac{1}{2}$ ".

Lattice pieces: From the assorted fabrics, cut the lattice pieces. You will need 575 lattice rectangles 2 $\frac{1}{2}$ " x 6 $\frac{1}{2}$ " and 48 lattice squares 2 $\frac{1}{2}$ " x 2 $\frac{1}{2}$ ".

Units:

Make 26 Unit One segments
Make 275 "T" pieces (use to make unit two and unit three pieces)
Make 13 Unit Two segments
Make 262 Unit Three segments
Make 22 Unit Four segments

Assembling the Units:

Use the 13 Unit Two segments and 12 lattice rectangles to assemble the left vertical row. Assemble rows 2 through 22 as directed in the pattern. The right vertical edge (row 23), will be assembled using 13 Unit One segments. When the partial seams are sewn, the quilt top is completed.

Finishing the Quilt:

Layer the quilt top, batting and binding. Quilt as desired. Complete with the reserved binding.
